674 Rogers Street
Lowell, MA 01852
978-459-0594

Welcome to our dental practice. We are looking forward to meeting you and caring for your dental health. Enclosed you will find an appointment card with the date and time. We begin with a thorough examination, consisting of a full series of x-rays, complete health history and oral examination. If you have had a full series of x-rays taken during the past five years, would you contact your previous dentist and ask that they forward them to our office, and then please let us know. Our objectives are high quality and preventive dentistry.

Upon completion of the examination, an appointment will be scheduled to discuss the conditions present and the types of treatment plan best suited to your needs. After completion of your treatment, you will be scheduled at periodic intervals for preventative examination and for cleaning of your teeth.

Except for emergency cases, you may expect us to be on time, and, we will expect and appreciate the same courtesy. Occasionally, emergencies do interrupt our regular schedule of patients. If you are unable to keep your scheduled appointment, 24 hour notice is required.

Enclosed you will find four forms. Please fill them out completely and bring them in at your first appointment. Also, if you have dental insurance, please bring in your card or form.

Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read "Young K. Son". The signature is fluid and cursive, with the first name "Young" and last name "Son" clearly distinguishable.
